**RECEIVER'S MOTION TO APPROVE MEDICAL ACCOUNTS RECEIVABLE
COLLECTION AGREEMENT WITH THOMAS CAREY, J.D., LL.M., P.A.**

Burton W. Wiand, as Receiver (the "**Receiver**") for Tri-Med Corporation ("**Tri-Med**"); Tri-Med Associates Inc.; and TMFL Holdings, LLC (collectively, the "**Receivership Entities**"), moves the Court to approve the attached agreement (the "**Agreement**") with Thomas Carey, J.D., LL.M., P.A. ("**Mr. Carey**"), which retains Mr. Carey and his firm to negotiate and collect medical accounts receivable subject to Letters of Protection ("**LOPs**")¹ which are owned by Receivership Entities. A copy of the Agreement is attached as **Exhibit A**, and as detailed below

¹ LOPs essentially are contracts involving a patient, the patient's attorney, and the medical services provider under which the patient and attorney agree to pay for medical services from the proceeds of any pre-suit or lawsuit settlement or judgment the patient may obtain.

Mr. Carey and his firm have significant experience with both (1) personal injury cases and (2) negotiating and collecting payments under LOPs.

Although Defendants operated a fraudulent investment scheme, they appeared to have used approximately \$4 million of the approximately \$17 million raised from investors to actually buy LOPs, although that figure represents a “best case scenario” and includes fake and other problematic LOPs. The Agreement provides a cost-efficient way for negotiating and collecting LOPs on favorable terms to the Receivership Estate.

BACKGROUND

1. As the Court observed after a day-long evidentiary hearing on October 22, 2014, there is abundant evidence that Defendants, through the Receivership Entities, operated a fraudulent investment scheme involving the purported purchase of LOPs. Although Defendants raised approximately \$17 million from investors, at most only approximately \$4 million of those funds were actually used to buy LOPs.

2. Since the Receiver’s appointment, his team has been handling the negotiation and collection of LOPs while also thoroughly investigating the Receivership Entities’ LOPs. As previously reported, the Receiver’s investigation revealed a number of problems with many LOPs. While the fact that Tri-Med is in receivership has given the Receiver’s team leverage to negotiate favorable resolutions of LOPs – often recovering 100% of the LOP’s face value despite industry averages that are significantly below that sum – such efforts require a significant amount of time and effort.

3. Recognizing that, and to further benefit the Receivership estate, the Receiver explored entering into an arrangement with a third party, including Mr. Carey and his firm, to handle the administration, negotiation, and collection of LOPs currently owned by the

Receivership Entities.² Several of these third parties indicated that they would enter into such an arrangement only if they would receive as a fee a minimum percentage of at least 10% to 15% of the collected amount of the LOPs. As discussed below, however, Mr. Carey agreed to perform these services on more favorable terms to the Receivership. The Receiver and Mr. Carey entered into the Agreement on February 6, 2015.

4. Mr. Carey's experience both as a Florida personal injury attorney and in the business of purchasing and negotiating LOPs makes him highly qualified to handle the negotiation of LOPs for Receivership Entities. Mr. Carey has been a licensed Florida attorney for nearly forty years, and is a founding partner of the Clearwater law firm of Carey & Leisure where he practices primarily in the field of personal injury law. Mr. Carey is board certified in civil trial law by both the Florida Bar and the National Board of Trial Advocacy and is AV-rated by Martindale-Hubbell. He has handled more than 50,000 personal injury cases over the course of his career. This experience has allowed Mr. Carey to develop an extensive knowledge and understanding of both the valuation of personal injury cases and the medical costs and expenses associated with those cases.

5. Notably, Mr. Carey has used his substantial knowledge in personal injury law to develop significant expertise in the purchase and negotiation of LOPs. Specifically, for the past four years, Mr. Carey has been a principal in several companies focused on the business of purchasing receivables from medical service providers, including Thomas Carey, J.D., LLM, P.A. Currently, Mr. Carey and his companies own LOPs with a face value of more than \$20

² Before this Receivership, Tri-Med spent approximately \$2.37 million of the approximately \$4 million of LOPs purchased to buy LOPs from Florida Surgery Consultants, LLC ("FSC") and its related entities, and the agreement with FSC provides a guaranteed payout to Tri-Med of either 50% or 55% of an LOP's face value, depending on the medical procedure. Accordingly, Mr. Carey will not be negotiating the FSC LOPs as there is no need to do so.

million, and he is personally involved in the underwriting and acquisition of those LOPs and also has oversight over the negotiation and resolution process by his staff.

6. Further still, Mr. Carey and his partner, Robert Shuttera, Esq., also an experienced personal injury lawyer who is AV-rated by Martindale-Hubbell, evaluate approximately 200 cases per month for various companies that specialize in loans, acquisition, or investment in personal injury cases.

7. Messrs. Carey's and Shuttera's significant experience with personal injury litigation and LOPs has allowed them to become intimately familiar and knowledgeable about the collection and negotiation of LOPs and to develop extensive relationships with personal injury attorneys throughout West Florida. In short, Mr. Carey and his team are highly qualified to negotiate and collect the LOPs owned by Receivership Entities.

The Agreement

8. The Agreement provides that, for an initial two-year term, Mr. Carey will act as the Receiver's agent and representative in connection with the negotiation and collection of approximately 2,100 LOPs with a best-case-scenario face value of roughly \$6.5 million. A complete list of the LOPs that would be covered by the Agreement and the apparent corresponding issuing attorneys is attached to the Agreement as "Exhibit A." The Agreement contains multiple mechanisms to ensure the highest possible recovery rate for those LOPs. For example, Mr. Carey will be required to receive written approval from the Receiver to finalize any LOP settlement for less than 80% of the corresponding face value, while any settlement offers at or above 80% of the corresponding LOP face value will not require authorization from the Receiver. Additionally, Mr. Carey will provide the Receiver with a written report each

month detailing his efforts, the status of negotiations, and the amount of collected settlements for the immediately preceding month.

9. Mr. Carey will be compensated in the amount of 5% of the gross settlement amount of each negotiated LOP. Given that, as noted above, the Receiver was advised by competing entities in the medical accounts receivable purchasing business that their required compensation would be higher than 5% of each settled LOP, the Receiver believes that Mr. Carey's compensation is not only favorable to the Receivership but also adequately factors in the amount of attorney time required for the negotiation and collection of LOPs. More importantly, this arrangement will no longer require the Receiver's team to incur additional time or resources in LOP negotiation and collection efforts. Further, by structuring the compensation arrangement on the amount of settled LOPs, Mr. Carey's compensation will be directly tied to the amount of settled LOPs he is able to negotiate.

10. The Agreement also provides that Mr. Carey will initially handle any interpleader proceedings in the event that negotiation of an LOP is unsuccessful. Under the Agreement, Mr. Carey agrees to the expenditure of two (2) attorney hours towards defense and maintenance of interpleader suits, including the filing of an answer and any required court appearances. Any additional required time will be provided to the Receiver in a written estimate and ultimately subject to the Receiver's approval at a rate of \$250 per hour. The Receiver is not required to accept this estimate, and may proceed with or without Mr. Carey's assistance in an interpleader proceeding as the Receiver concludes is in the best interests of the Receivership estate.

11. Finally, the Agreement contains appropriate safeguards to ensure the confidentiality of patient information provided by the Receiver to Mr. Carey, and obligates Mr.

Carey to comply with all rules and regulations under the Health Insurance Portability and Accountability Act.

12. It is well established that the court which appoints a receiver may issue orders as are necessary and proper for the property and interests of those concerned. *City of Kissimmee v. Dep't of Env'tl. Regulation*, 753 So. 2d 770, 772 (Fla. 5th DCA 2000); *see also Puma Enterprises Corp. v. Vitale*, 566 So. 2d 1343, 1345 (Fla. Dist. Ct. App. 1990) (“[T]he court making the appointment [of a receiver] may, at its discretion, during the pendency of the action make such further orders as are necessary and proper for the protection of the property and interests concerned.”).

13. Here, the Agreement is in the best interests of, and is necessary and proper for, the Receivership and defrauded investors because it places negotiation and collection of LOPs in the hands of a highly experienced and successful person at a favorable rate to the Receivership.

WHEREFORE, the Receiver respectfully requests that the Court enter an Order approving the Agreement and for any other relief the Court deems just and proper.

CERTIFICATION OF OFR’S NON-OBJECTION TO REQUESTED RELIEF

Undersigned counsel for the Receiver has communicated with counsel for OFR and is authorized to represent to this Court that OFR has no objection to entry of an Order granting the relief sought in this Motion.

**AGREEMENT REGARDING COLLECTION OF
LETTERS OF PROTECTION / ACCOUNTS RECEIVABLE**

THIS AGREEMENT REGARDING COLLECTION OF LETTERS OF PROTECTION / ACCOUNTS RECEIVABLE (the “**Agreement**”) is made and entered into as of the 6th day of February, 2015 (the “**Effective Date**”), by and between **BURTON W. WIAND**, as Court-appointed Receiver (the “**Receiver**”) in the action pending in the Sixth Judicial Circuit in and for Pinellas County, Florida (the “**Court**”) styled *State of Florida, Office of Financial Regulation v. Tri-Med Corporation; Tri-Med Associates Inc.; Jeremy Anderson; Anthony N. Nicholas, III; Eric Ager; Irwin Ager; Teresa Simmons Bordinat, a/k/a Teresa Simmons*; and further styled as Case No. 14-001695-CI (the “**Action**”), and **TOM CAREY, J.D., LLM** (“**Collecting Agent**”) (the Collecting Agent and the Receiver are collectively referred to herein as the “**Parties**” and each is individually referred to as a “**Party**”).

W I T N E S S E T H

WHEREAS, the Court appointed Burton W. Wiand as Receiver in the Action over Tri-Med Corporation (“**Tri-Med**”) and Tri-Med Associates, Inc. (“**TMA**”) on March 5, 2014. The scope of the Receiver’s appointment was subsequently expanded by the Court to include TMFL Holdings, LLC on May 13, 2014. Tri-Med, TMA, and TMFL Holdings, LLC are collectively referred to as the “**Receivership Estate**.”

WHEREAS, TMA and Tri-Med entered into agreements with various medical providers (the “**Providers**”) to purchase outstanding accounts receivable (“**Accounts Receivable**”) owing from certain patients (“**Patients**”) for medical treatments and procedures provided by the Providers. A significant number of these Accounts Receivable were memorialized in Letters of Protection (“**LOPs**”) executed by the treated patients in favor of the Providers. The LOPs and Accounts Receivable subject to this Agreement are more fully set forth in **Exhibit A**.

WHEREAS, the Parties hereto have reached an agreement with respect to the Collecting Agent’s collection of certain LOPs and Accounts Receivable assigned to the Receivership Estate.

NOW, THEREFORE, for and in consideration of the mutual promises, covenants and agreements contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collecting Agent and the Receiver agree as follows:

OPERATIVE TERMS

Section 1. Term; Engagement of Services; Services Provided. Subject to the terms and conditions set forth in this Agreement, Receiver shall authorize Collecting Agent to act as his agent and representative with regard to collection of those certain LOPs and Accounts Receivable set forth in Exhibit A in the manner hereinafter provided.

(a) Term. The term of this Agreement shall be for a period of two (2) years from the Effective Date. Thereafter this Agreement shall automatically self-renew on a month-

to-month basis, unless and until terminated by either Party by delivery of not less than thirty (30) days advance written notice of termination.

(b) Services Provided. Receiver is engaging the Collecting Agent for the specific and limited purpose of acting as his agent and representative to negotiate and settle those certain LOPs and Accounts Receivable set forth in Exhibit A in accordance with the Settlement Procedures set forth in Section 2 of this Agreement. These duties also specifically include Collecting Agent's participation in the routine defense and maintenance of any suits for interpleader of funds related to any LOP identified in Exhibit A.

(c) List of LOPs and Accounts Receivable. Within ten (10) days after the Effective Date of this Agreement, if not previously provided, Receiver shall provide to Collecting Agent a list ("**List**") of the LOPs identified in Exhibit A containing such identifying information to allow Collecting Agent to immediately begin the duties contemplated herein. The List shall include for each LOP and Account Receivable, to the extent such information is available to the Receiver, (i) the face value of each LOP and/or Account Receivable, (ii) the name of the corresponding Patient to each LOP and/or Account Receivable, (iii) contact information for each Patient and/or the Patient's attorney, and (iv) a copy of the corresponding LOP (if available) for each Account Receivable. The parties may mutually determine whether additional information is necessary or appropriate to fulfill the purposes of this Agreement and to the extent such information is in the Receiver's possession. The LOPs and Accounts Receivable contained in the List shall constitute the sole LOPs and/or Accounts Receivable that the Collecting Agent is authorized by the Receiver to negotiate and settle.

(d) Compensation for Services. Subject to and as more fully set forth in Section 4 below, Receiver agrees to compensate the Collecting Agent for the services provided as herein described and make payment to the Collecting Agent of 5% of the gross settlement amount of each settled LOP and Account Receivable.

Section 2. Settlement Procedures. Collecting Agent shall be the sole individual authorized to initiate and conduct settlement discussions relating to any LOP and/or Accounts Receivable set forth on the List. Should Collecting Agent receive an offer to settle an LOP and/or Account Receivable identified in the List for an amount equal to or greater than 80% of the corresponding face value of the LOP and/or Account Receivable, then Collecting Agent shall be authorized to finalize settlement without obtaining authorization or approval from the Receiver. If the Collecting Agent receives an offer to settle an LOP and/or Account Receivable identified in the List for an amount less than 80% of the corresponding face value of that certain LOP and/or Account Receivable, then Collecting Agent must convey such settlement to the Receiver and obtain written approval from the Receiver in order to proceed with any corresponding settlement. All settlement checks shall be made payable to "Burton W. Wiand, as Receiver," and such settlement checks shall be provided to the Receiver by Collecting Agent within seven (7) days of receipt by Collecting Agent. Receiver shall deposit all settlement checks into his bank account until such time as the funds are to be distributed to the Collecting Agent for compensation for services as set forth in Section 4 herein.

Section 3. Reporting Procedures. On or before the seventh calendar day of each month and at other times as reasonably requested by the Receiver, Collecting Agent shall provide a written Status Report to the Receiver detailing the Collecting Agent's efforts, status of negotiations, and collected settlements for the immediately preceding calendar month. Each Status Report shall also be accompanied by an Invoice prepared by Collecting Agent detailing the amounts due and owing to the Collecting Agent for its services for the immediately preceding calendar month.

Section 4. Payment Procedures. Within fifteen (15) days following the Receiver's review and approval of the Collecting Agent's Status Report and Invoice, Receiver shall notify Collecting Agent of any discrepancies in the Status Report and/or Invoice. In the event that no discrepancies are identified in the Status Report and/or Invoice, the Receiver shall remit payment to Collecting Agent for the amount set forth in the Invoice in the form of a check payable to Tom Carey, J.D., LLM.

Section 5. Interpleader Proceedings. In the event that an LOP and/or Account Receivable identified in the List becomes subject to an interpleader action, Collecting Agent agrees to immediately provide notice to the Receiver. Collecting Agent agrees that the scope of services it is providing to the Receiver under this Agreement specifically includes the routine defense and maintenance of any suits for interpleader of funds related to any LOP identified in Exhibit A, including but not limited to the timely filing of any required responsive pleading as well as participation at any ensuing hearings. The Parties agree that the Collecting Agent's compensation for an LOP and/or Account Receivable settled through an interpleader action shall be identical to the compensation set forth in Section 1(d)(i) provided that the total amount of attorney time spent performing the duties so required of this section does not exceed two hours. If additional attorney time is required to properly defend and maintain any suit for interpleader, the Collecting Agent will provide an estimate of additional attorney time required to the Receiver for pre-approval of the additional time required to be paid at an hourly rate of \$250.00 per hour. In the event that the Receiver fails to approve the additional time required by the Collecting Agent, the Parties agree to negotiate the terms of the Collecting Agent's fees and expenses and memorialize the same in writing prior to institution of further proceeding in any given interpleader action and the same shall become a counterpart to this Agreement and subject to its terms and conditions unless agreed to otherwise between the Parties.

Section 6. Record Sharing. The Receiver shall be entitled, upon reasonable request, to view, inspect, and copy any and all documents and records associated with the Collecting Agent's services under this Agreement, including but not limited to documents received from third parties evidencing the negotiation of Accounts Receivable and/or LOPs set forth in the List.

Section 7. Confidentiality; HIPAA Compliance. Neither Party will at any time during the term of this Agreement or for a period of three (3) years following the termination of this Agreement, directly or indirectly disclose to any person, corporation or other entity or use, in any way, either Party's designated Confidential Information (whether or not marked "Confidential") provided in accordance with this Agreement or created or learned by either Party hereto, without first obtaining the other Party's prior written consent thereto. Receiver further acknowledges that the disclosure of any Patient information is being made in full

compliance with any and all HIPAA rules and regulations and is strictly used under the agency and representative powers granted to Collecting Agent as further described herein. Collecting Agent shall agree to comply with all HIPAA rules and regulations with regard to any and all patient information disclosed pursuant to this Agreement and will keep such information confidential as required by such rules and regulations regardless of any other terms of this Agreement which may be to the contrary.

The term "Confidential Information" as employed herein shall not include any information which is, or becomes a part of, the public domain through no act or commission by the Parties or which is received from a source that is not bound by any obligation of confidentiality hereunder. Subject to the preceding sentence, for purposes of this Agreement the following information relating to the business of Receiver and Collecting Agent which is generally not available except through time-consuming and processes constitutes "Confidential Information":

- (a) the identity of and any information regarding this Agreement, and Accounts Receivable and LOPs, including personal information regarding the officers, managers and members of the Parties, contact person(s), timelines, budgets, policies, goals and plans, and other agreements and dealings with or between the Parties or their affiliates;
- (b) any information regarding the Parties' business operations or practices;
- (c) any information including a compilation, program, device, system, approach, method, technique, business practice, or process that (i) derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use, and (ii) is the subject of efforts that are reasonable under the circumstances to maintain secrecy; and,
- (d) any other information that is not disclosed to the public by the Parties that is not generally known to the public that is disclosed by either Party to the other hereunder.

Section 8. Expenses. Each party hereto shall pay their own expenses (including, without limitation, the fees and expenses of their agents, representative, counsel and accountants) incidental to the preparation and carrying out of this Agreement. Collecting Agent expressly agrees that the compensation set forth in Section 1(d) shall constitute the sole and only entitlement to funds by the Collecting Agent for any services provided and expenses incurred by Collecting Agent and its agents, counsel, accountants, or any other professional in performing the duties set forth in this Agreement.

Section 9. Litigation to Collect LOPs and Accounts Receivable. Collecting Agent shall not initiate or commence litigation to collect or pursue collection of an LOP or Account Receivable identified in the List, other than routine litigation relating to the allocation of distributions of settlement proceeds, without the prior written approval of the Receiver. If the Collecting Agent shall become authorized to institute litigation to collect an Account Receivable, the Parties agree to negotiate the terms of the Collecting Agent's fees and expenses and memorialize the same in writing prior to institution of litigation and the same shall become

a counterpart to this Agreement and subject to its terms and conditions unless agreed to otherwise between the Parties.

Section 10. Notices. Any notice, request, information or other document to be given hereunder to any Parties by any other party shall be in writing and shall have been deemed to have been given (i) when personally delivered, sent by facsimile (with hard copy to follow) or sent by reputable overnight express courier (charges prepaid), or (ii) five (5) days following mailing by certified or registered mail, postage prepaid and return receipt requested.
